

True Bog Oak Ultramatt Hardwax

Pre-finished by hand giving the Oak a timeless deep black-greenish Oriental patina. Before we apply a hard-wearing lacquer, the Oak is deeply oil-stained to protect and keep this true look over longer time. This finish works particularly well on uniform Oak plank patterns for floor and wall. Consider our Rift & Quarter cut Oak for beautiful harmony.

Species	Continental (European) Oak From mineralized logs
Finish*	Hardwax-Oil
Origin	Reclaimed European Oak (Quercus Robur) that grew several thousands of years ago in dense dark old-growth forests.
Maintenance	This finish can be cleaned regularly using our Natural Oil Soap. This feeds and strengthens the surface over time and allows you to adjust the patina to your requirements.
Spot repair and Refinish	Professional maintenance with our Maintenance Oil will make this finish richer and protect it over time. Spot repairs are possible with our touch-up kit.

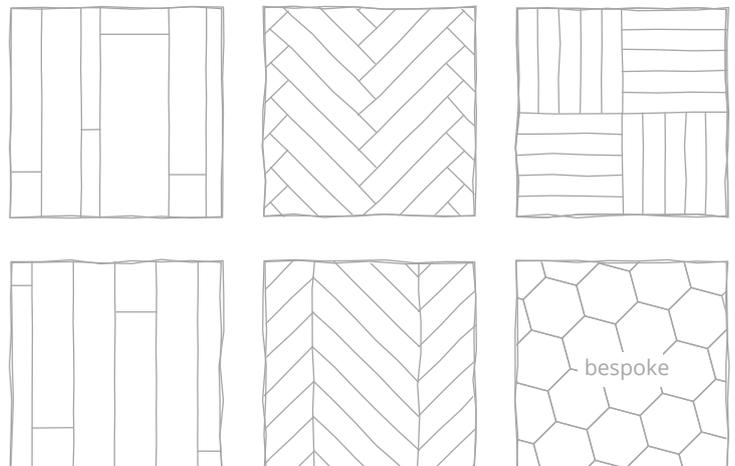

Structure**

Engineered: 19.5 +/- 0.5 mm, top layer 4.5 +/- 0.5 mm

Recommended patterns

*) Whilst our sampling and photography endeavours to show grain and colour as natural as possible, a sample or photo are never an exact representation of an entire floor. Wood being a natural material, variation in colour and grain exists, floors may change appearance over time through exposure to light, wear and tear and maintenance.

**) Prefinishing of solid floors may be subject to more strict recommendations for limited board dimensions and climate control. Read further on the next page.
