

American White Oak Smoky Ultramatt Poly

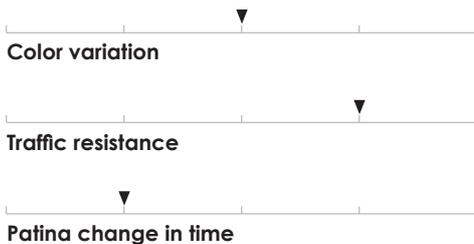

Pre-finished by hand, with a pure and natural look and feel, the Oak is smoked to provide a warm lightbrown aged patina. This finish works well on both uniform and more rustic Oak patterns for floors and walls. A brushed texture can be added for more character.

| | |
|---------------------------------|--|
| Species | American White Oak |
| Finish* | Ultramatt 2k Lacquer |
| Origin | American white Oak (Quercus Alba) mainly over 80 years old. Grown in responsibly managed forests in the northern states of the USA. |
| Maintenance | This finish can be cleaned regularly using our Premium Poly Fresh, which feeds and strengthens the surface over time. |
| Spot repair and Refinish | Professional maintenance with our Premium Ultramatt Polish will protect this floor for a very long time. For spot repairs and refinishing, we can provide efficient solutions. |

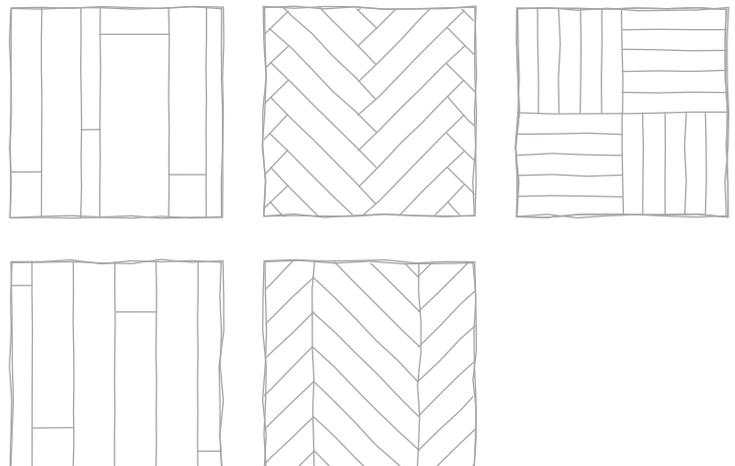

Structure**

Engineered: 19.5 +/- 0.5 mm, top layer 4.5 +/- 0.5 mm

Recommended patterns

*) Whilst our sampling and photography endeavours to show grain and colour as natural as possible, a sample or photo are never an exact representation of an entire floor. Wood being a natural material, variation in colour and grain exists, floors may change appearance over time through exposure to light, wear and tear and maintenance.

**) Prefinishing of solid floors may be subject to more strict recommendations for limited board dimensions and climate control. Read further on the next page.
