

American Walnut Milano 7 Brushed Hardwax

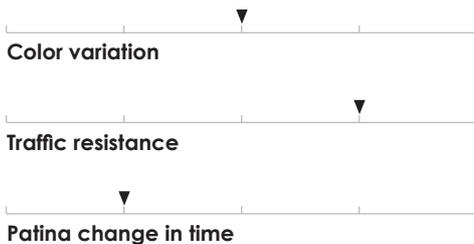

By brushing the Walnut, we make its surface denser and harder. The unique organic olivegrey-brown patina makes this a sophisticated piece of art. Sealed with several layers of matte gives this floor a protection that can easily be kept up with our maintenance oil and oilsoap. This finish works well on long, wide planks in random widths, but also stunning on Chevrons. Some occasional knots and cracks, if preferred, will come out beautifully.

Species	American White Oak
Finish*	Hardwax-Oil
Origin	American dark Walnut (<i>Juglans Nigra</i>) mainly over 80 years old. Grown in responsibly managed forests in the northern states of the USA.
Maintenance	This finish can be cleaned regularly using our Natural Oil Soap, which feeds and strengthens the surface over time.
Spot repair and Refinish	Professional maintenance with our Maintenance Oil will make this finish richer and protect it over time. Spot repairs are possible with our touch-up kit.

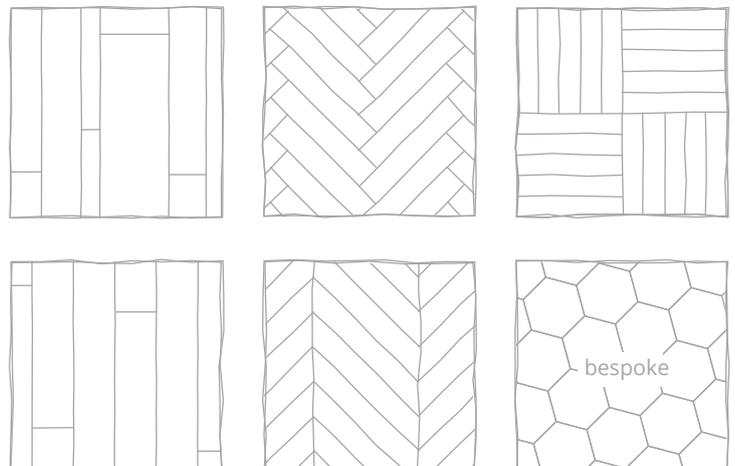

Structure**

Engineered: 19.5 +/- 0.5 mm, top layer 4.5 +/- 0.5 mm

Recommended patterns

*) Whilst our sampling and photography endeavours to show grain and colour as natural as possible, a sample or photo are never an exact representation of an entire floor. Wood being a natural material, variation in colour and grain exists, floors may change appearance over time through exposure to light, wear and tear and maintenance.

**) Prefinishing of solid floors may be subject to more strict recommendations for limited board dimensions and climate control. Read further on the next page.
