

American Walnut Pure Ultramatt Poly

Pre-finished by hand, this Walnut combines a pure and natural look and feel with hard-wearing ultramatt lacquer. This finish works well on more uniform selections of Walnut in plank and parquet patterns for floors and walls. A brushed texture can be added for more character.

Species	American Walnut
Finish*	Ultramatt 2k Lacquer
Origin	American dark Walnut (<i>Juglans Nigra</i>) mainly over 80 years old. Grown in responsibly managed forests in the northern states of the USA.
Maintenance	This finish can be cleaned regularly using our Premium Poly Fresh, which feeds and strengthens the surface over time.
Spot repair and Refinish	Professional maintenance with our Premium Ultramatt Polish will protect this floor for a very long time. For spot repairs and refinishing, we can provide efficient solutions.

*) Whilst our sampling and photography endeavours to show grain and colour as natural as possible, a sample or photo are never an exact representation of an entire floor. Wood being a natural material, variation in colour and grain exists, floors may change appearance over time through exposure to light, wear and tear and maintenance.

**) Prefinishing of solid floors may be subject to more strict recommendations for limited board dimensions and climate control. Read further on the next page.
